EXHIBITION PROGRAM

Certification of specialists:

Obtaining and upgrading of professional qualifications

State-licensed certification of specialists with the awarded qualification

"Installer of sanitary-technical systems and equipment, 4th grade"

POST SHOW REPORT

- ✓ **2** independent licensed qualification centers
 - ✓ **41** applicants who applied for certification
 - ✓ **32** 32 applicants who successfully fulfilled the conditions of certification:
 - ✓ Theoretical exam
 - ✓ Practical exam
- received a Certificate of Qualification:
"Installer of sanitary-technical systems and equipment, 4th grade"
